CASEGOODS IN STOCK

While our specialty at EF+LM is made-to-order and custom furniture, we also have a wide selection of casegoods that are in stock. In the past six months we have made an enormous investment to build up our inventory levels in order to better serve you. We can be the perfect resource for that last-minute item that you need to finish off a room, or for that client that needs a piece before they arrive at their summer house.

The items in this brochure are in typically in stock and ready to ship or ready to finish. Finishing will then typically take 4 weeks before shipping. Please contact your local showroom for stock availability and lead-times. Please visit our website for our complete offering of standard casegoods and upholstery.

For a current list of Corporate, Boutique and Representative Showrooms visit the Showroom Locations portion of our website.
